4. The maps reflect the attached list of AFS Providers/MSBs, bank branches and post offices.

124 Bank branches

- NOTE: only sites that offer <u>branch service types 11, 12, 14, 16, 22, 23, 26, 28 and 29,</u> were included and not sites without retail functions (e.g. management office, trust office).
- NOTE: To resolve the discrepancies in the number of branches in FDIC data (Baltimore City, Baltimore County etc.), we geocoded all bank branches in the State of Maryland and then excluded those not within Baltimore City limits.

166 AFS Providers/MSBs

• NOTE: In the case of multiple licenses linked to a single corporate address, only one icon appears. Where the address of a subsidiary/additional site(s) was identified and located in Baltimore City, then it was geocoded and mapped at the separate location.
